> RE: P&WA Part B Permit Application East Hartford, Connecticut CTD 990672081

Dear Mr. Wise:

We acknowledge receipt of your request for an extension until March 1, 1985 for submitting a response to the Notice of Deficiencies received September 17, 1984. The Department of Environmental Protection concurs with this request if the following conditions are complied with:

- 1. An unexecuted draft of all information requested by DEP except that directly related to the incinerator modification is to be submitted by November 1, 1984.
- 2. A schedule of events required to bring the incinerator into compliance with Connecticut's Hazardous Waste Management Regulations is also to be submitted. The schedule should include such items as dates and duration of trial burns, types and quantities of waste incinerated, and any other pertinent information.

If there are any questions, please call 566-2264.

Sincerely

Senior Sanitary Engineer

Hazardous Waste Management Section
